- **Fellowships include:**
 - Full tuition
 - An annual stipend of \$27,000
 - Funds for professional travel
- **Our goal is to produce faculty skilled in evidence-based practice in their specialty area. Possible specializations include:**
 - Learning disabilities
 - Bilingual/multicultural special education
 - Deafness/hard of hearing
 - Visual impairment and blindness
 - Emotional and behavioral disorders
 - Severe and multiple disabilities
 - Positive behavioral support
- **Doctoral students receive exceptional training through an apprenticeship model, engaging in the same activities that will be required when they become faculty**
- **A unique feature is a one-semester externship at another university with a leading scholar in the student's specialization**
- **UA graduates are now faculty at universities and colleges across the country**
