Information About the University of Oklahoma

The University of Oklahoma is classified as the Highest Research Activity (R1) on the Carnegie Classification of Institutions of Higher Education. OU is a comprehensive public research university known for excellence in teaching, research, and community engagement. OU serves the educational, cultural, economic and health-care needs of the state, region, and nation from three campuses: Norman, Health Sciences Center in Oklahoma City, and the Schusterman Center in Tulsa. OU enrolls over 30,000 students and has more than 2,700 full-time faculty members across 21 colleges. In 2014, OU became the first public institution ever to rank #1 nationally in the recruitment of National Merit Scholars. The 277-acre Research Campus in Norman was named the No.1 research campus in the nation by the Association of Research Parks. Norman, which is part of the Oklahoma City metro area, is a culturally rich and vibrant community of over 120,000 people that is a perennial contender on "best place to live" rankings. Norman also has outstanding schools, amenities, and a low cost of living. To learn more about Norman visit <https://www.visitnorman.com/all-about-norman/> and <http://www.ou.edu/publicaffairs/oufacts.html> for more information. The University of Oklahoma, in compliance with all applicable federal and state laws and regulations does not discriminate on the basis of race, color, national origin, sex, sexual orientation, genetic information, gender identity, gender expression, age, religion, disability, political beliefs, or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to: admissions, employment, financial aid, housing, services in educational programs or activities, or health care services that the University operates or provides.
