<b>EOD</b>	In 2018, the University of North Florida (UNF) received the prestigious INSIGHT Into Diversity magazine Higher Education Excellence in Diversity (HEED) Award, the only application-based national award for U.S. colleges and universities that exhibit an outstanding commitment to diversity and inclusion across their campuses. In addition, UNF ranked highest among the 80 HEED institutions and was also recognized as a 2018 Diversity Champion. The University of North Florida (UNF) is committed to providing an inclusive and welcoming environment for all who interact in our community. In building this environment, we strive to attract students, faculty and staff from a variety of cultures, backgrounds and life experiences. The University of North Florida is an Equal Opportunity Employer and does not commit or permit discrimination or harassment on the basis of genetic information, race, color, religion, age, sex, disability, gender identity/expression, sexual orientation, marital status, national origin, or veteran status in any educational, employment, social, recreational program or activity that it offers. In addition, UNF will not commit or permit retaliation against an individual who complains of discrimination or harassment or an individual who cooperates in an investigation of an alleged violation of University Regulation.
<b>Carnegie</b>	UNF is a Carnegie Community Engaged Institution. This designation celebrates the University's collaboration with community partners from the local to the global level. It reflects UNF's mission to contribute to the public good and prepare educated, engaged citizens.
<b>Faculty Initiatives</b>	The University of North Florida promotes the quality and effectiveness of education and strives to maintain the highest standards of academic excellence in all phases of instruction, research/scholarship/creative activity, and service.
<b>General Description / Primary Purpose</b>	This position has responsibilities in teaching, research, and service. Teaching responsibilities include graduate, undergraduate, and field responsibilities within our innovative exceptional student education program as well as collaboration with and preparing teacher candidates in our professional development schools. There might be opportunities to work with doctoral students in our C&I doctoral program (e.g., teaching, committee service). Scholarship for the associate level should include an established program of research, including publications in peer-reviewed journals, grants and contracts, and presentations. At the assistant level, scholarship should demonstrate a clear program of research and potential for external funding. Service is expected at all levels, including program, college, university, community, and the field. UNF is classified by Carnegie as a doctoral/professional university. We are committed to globally recognized, innovative programs and practices; impacting our fields/professions through high quality teaching, scholarship, and service; and preparing graduates who are transformative leaders in their professions. UNF is located just minutes from the Atlantic Ocean and within a vibrant and changing diverse community.

### Essential Duties

<b>Job Function</b>	Teach courses and lead in our innovative exceptional student teacher education program, including field supervision/coaching using a variety of modalities (e.g., face-to-face, online); pursue an active research agenda including scholarly publications, grants and contracts, and presentations; participate fully in program development; department, college, and university committees; provide service to the community and the profession. Mentor students, especially first-generation college students, from diverse backgrounds.
<b>Percentage Of Time</b>	

<b>Marginal Functions</b>	
<b>Required Qualifications</b>	
<b>Faculty Position Required Qualifications</b>	<ol style="list-style-type: none"> <li>1. Terminal degree in special education or related field</li> <li>2. For candidates at the associate level, be eligible for tenure according to UNF guidelines; for candidates at the assistant level, have an emerging line of scholarly research</li> <li>3. Experience or potential to teach special education methods courses (e.g., mathematics)</li> <li>4. Three years of teaching experience in K-12 settings</li> <li>5. For candidates at the associate level, a record of professional service at the regional, state and/or national service; for candidates at the assistant level, a record of professional service at the community, regional, and/or state level</li> <li>6.
